

Summer 2

Green Class

Curriculum Intent

Child centered learning encompasses opportunities for pupils to learn and develop their confidence and skills through a broad, differentiated, and creative curriculum.

Our philosophy incorporates flexibility in order that children can access a variety of experiences throughout their time with us. Our curriculum is devised so that pupils follow a pathway that will have the most effective impact on their individual development.

Introduction

Our focus this half term is 'Colour, Shimmer and Shine'. We will be diving deep into the Science behind our bodies moving and growing, and exploring the colourful country of Brazil and its Capital Rio De Janeiro.

English

In Green class we will continue with our phonics scheme 'Bug Club' as well as reading 3x weekly and choosing reading for pleasure books in our library slot.

We will be reading the story 'Steve Goes to Carnival' to learn about Rio de Janeiro and its festivals, focusing on sentence structure and using adjectives to describe.

Maths

In Green Class this term we will be exploring Addition and Subtraction - number line and hundred squares, Division, Shape and pattern, Ordinal Numbers – Linking to sports day, Data and problem solving

. These focuses will either be done in lesson time or weekly in 20/20 activities.

Music

Pupils will participate in weekly music sessions that are facilitated by our music therapist. Mr Sadler will be teaching weekly Music lessons following the Charanga scheme of work.

Science

Moving and Growing

We will be investigating how much sugar is in our daily diets and the effects of too much sugar/poor nutrition on our health. We will also be looking at how our skeleton helps our body to move as well as the function of our muscles.

Geography

Flags from around the world

As our topic focus is 'Colour, Shimmer and Shine', we will be diving deep into the country of Brazil and in detail about its capital Rio De Janeiro. We will also be looking at countries around the world using maps and comparing their physical and human features.

Art

Wassily Kandinsky

Create unique textile pieces/wall hangings based on the colourful work of Wassily Kandinsky.

Physical Education

Pupils will take part in the Daily Mile and weekly PE lessons in order to improve their fitness and well being. Pupils will have weekly swimming lessons facilitated by a specialist swimming instructor. Pupils will have the option to take part in peer-massage session that takes place once a week.

Computing

Maze Explorers

We will be using Purple Mash to explore using directional controls and programmable toys to create codes to follow.

SMSC

RE

Explore the role and work of a leader religious community.

PSHE

Changing Me

Pupils will be exploring anatomical terms for the human body, choices regarding having a baby, puberty and other changes that we experience.

Colour, Shimmer and Shine!

WOW!

Green Class Carnival Day!
