

Dear Parents and Carers,

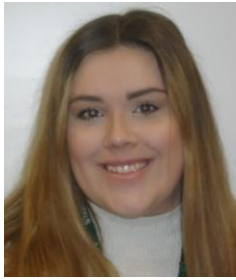

I am writing to let you know about which class team we plan for your child to join in September 2021. We are really looking forward to welcoming some new teachers into school and so there may be some names that you do not recognise, but we have planned thorough transition of information about the children and the new members of staff have been in to work with the children at different points over this term.

The class teams will include teachers and Tas, and the ratio's of staff have been planned in reference to the specific needs of the children in each class group. Where there are children who require 1:1 or 2:1 support – the staff team reflects this ratio. We will be working with class teams to ensure that all class staff have opportunity to develop those 1:1 and 2:1 working skills with the specific children to best meet the pupils needs and further develop their skills.

Class names and teachers for September 21:

Blue Class	Kelly Emery	
Red Class	Lauren Tipper	

Orange Class	Alison Bond
