

# What do you see?

## Curriculum Intent

Child centered learning encompasses opportunities for pupils to learn and develop their confidence and skills through a broad, differentiated, and creative curriculum. Our philosophy incorporates flexibility in order that children can access a variety of experiences throughout their time with us. Our curriculum is devised so that pupils follow a pathway that will have the most effective impact on their individual development.

## Introduction

This term children will be learning all about What do we see? We will be using art as our stimulus and use the myth of Atlantis. Creating a painting that represents the lost city of Atlantis

## English

We will be looking at the novel *Fantastic Mr Fox*; written by Roald Dahl.

We will develop our comprehension skills by engaging with the text throughout the chapters making predictions and drawing conclusions as we work through the book together. We will be focusing on the profiles of the characters.

We will plan, draft, edit and write a story section of our own.

## Maths

We will work on our individual Maths targets using a range of fun and engaging activities including games, puzzles, and manipulatives daily in 20 20 sessions and maths learning.

There will be a real focus during the summer term on the consolidation of pupil knowledge, problem solving and the application of the main mathematical operations

## Music

We will have fun as a class exploring the **pitch** of music.

We will be using the 'Three Little birds' as a starting point this term and our focus music genre will be 'Reggae'.

## Science: The art of living.

This term we will be looking at The art of living.

We will look at life cycles of birds, insects and amphibians and life cycles from around the world. Time to go travelling. We will learn about some significant naturalists and animal behaviourists.

## Geography and History

We will be taking a deeper look into studies that will extend our chronological knowledge and order events.

We will be looking at What we can see? At:

*Edward Jenner*: Famous Physician and pioneer of the world's first ever vaccine.

*William Wilberforce*: Abolitionist and Politician.

*Emmeline Pankhurst*: Women's Rights Campaigner and organiser of the Suffragette Movement.

## Art and DT

### Art and texture.

We will use media to make different marks, lines, patterns and shapes within a drawing. Experiment with wet media to make different marks, lines, patterns, textures and shapes. Explore colour mixing and blending techniques with coloured pencils.

## Physical Education

### Let's get Active!

This term we will be improving our swimming and football skills through weekly specialist coaching.

We will improve our fitness and wellbeing by undertaking a daily mile as a class.

In our PE lessons we will improve our stamina, flexibility and mental well being through a range of team games and yoga sessions.

## Computing

### Multimedia

This half term we will be designing a website.

We will select, use and combine a variety of software to accomplish a given goal, including collecting, analysing, evaluating and presenting data and information. Our goal-for Green class to enjoy the end product.

## SMSC

### My Community

We will be looking at how we can make others in our school community feel valued, cared for, welcomed and included.

We will explore the various parables of Jesus.

## PSHE

### Healthy me!

We will be looking at smoking, alcohol, body image and our relationship with food during our weekly sessions.

Fetching fish and chips  
AND a visit from the  
Ice cream van.
