

Spring 1

Green Class

Curriculum Intent

Child centered learning encompasses opportunities for pupils to learn and develop their confidence and skills through a broad, differentiated, and creative curriculum. Our philosophy incorporates flexibility in order that children can access a variety of experiences throughout their time with us. Our curriculum is devised so that pupils follow a pathway that will have the most effective impact on their individual development.

Introduction

Green class have done so well adjusting to new routine's, method of learning and are thriving through the TEACCH approach. Our focus this half term is Meet The Artist. We will be exploring historic artists and where one grew up. Habitats and animals will be explored in Science and English.

English

In Green class we will continuing with our phonics scheme 'Bug Club' a doing 3x a week phonics sessions. As well as daily guided reading slots and opportunity for choosing their own reading for pleasure book weekly. Throughout the term we will be focusing on non-fiction texts about incredible creatures and Poems on a Theme of Homes and Houses.

Maths

In Green Class this term we will be exploring Number and it's place value, Making amounts with Money, Measuring Mass, 2D Shape and their properties, Time, Problem solving and symmetry. These focuses will either be done in lesson time or weekly in 20/20 activities.

Science

Animals

In Science we will be exploring everything about animals. We will be looking into the habitats of animals specifically weather conditions and areas of the world. We will be looking at alive and extinct animals and local animals and their habitat. To support our local environment we will be making a bug hotel.

MFL

Mr Sadler will be teaching weekly French lessons, introducing Family, Numbers to 20 and Months of the year
. Green class will also be encouraged to use phrases in their daily routine.

Geography

France

In geography we will be exploring the country of France. We will be locating the country on a globe and comparing a location in France to our local area. We will also explore the artist Cézanne home town and how it has changed since he lived there.

Art and DT

History of Art

Pupils will be meeting some of the world's most famous and influential painters, architects and designers. Children will be inspired and get to create their own original compositions using their styles and techniques.

Music

Pupils will participate in weekly music sessions that are facilitated by our music therapist. Mr Sadler will be teaching weekly Music lessons following the Charanga theme of work.

Physical Education

Pupils will take part in the Daily Mile and weekly Physical education in order to improve their fitness and well being. Pupils will have weekly swimming lessons facilitated by a specialist swimming instructor. Pupils will have the option to take part in peer-massage session that takes place once a week.

Computing

Programming

Pupils will follow precise instructions. During the sequence, children will predict what will happen and afterwards begin adding or editing their own characters and backgrounds.

SMSC

RE

Pupils will be explore the meaning of a wide range of stories about the beginning of the world (and reflect on their importance for believer's)

PSHE

In PSHE Green class will be focusing on their Dreams and Goals, specifically Setting goals, Identifying successes and, achievements and learning styles.
