

Summer 2

Green Class

Curriculum Intent

Child centered learning encompasses opportunities for pupils to learn and develop their confidence and skills through a broad, differentiated, and creative curriculum.

Our philosophy incorporates flexibility in order that children can access a variety of experiences throughout their time with us. Our curriculum is devised so that pupils follow a pathway that will have the most effective impact on their individual development.

Introduction

Green class have done so well adjusting to new routine's, method of learning and are thriving through the TEACCH approach. Our focus this half term is Colour, Shimmer and Shine. We will be diving deep into the Science behind our bodies moving and growing, and exploring the colourful country of Brazil and its Capital Rio De Janerio.

English
