

Autumn 1 2023

RED CLASS

All about me

Curriculum Intent

Child centered learning encompasses opportunities for pupils to learn and develop their confidence and skills through a broad, differentiated, and creative curriculum. Our philosophy incorporates flexibility in order that children can access a variety of experiences throughout their time with us. Our curriculum is devised so that pupils follow a pathway that will have the most effective impact on their individual development.

Introduction

Through a series of lively and interesting activities the children will build on their knowledge and understanding of themselves and the world around them.

English

During our English lessons, we will be looking at the stories 'Peace at last', 'My Mom' and 'My Dad' focussing on characters and writing sentences and captions.

The children will develop their writing and reading skills during our sessions and have a focus on letter formation and sentence building.

Maths

In Maths, we will further our knowledge through a CPA approach (concrete, pictorial and abstract). The children will focus on addition and subtraction using a number line and hundred squares, division, shape and pattern, ordinal numbers and using data.

Music

Pupils will continue to participate in their weekly music sessions delivered by our peripatetic music teacher. Pupils will explore a range of musical instruments and gain an understanding of musical terminology.

Science:

Animals Including Humans: 'Ourselves'

During our science sessions, we will explore the features of our bodies and all the amazing things it can do.

We will do science experiments based around our senses and record our results,

History

In History this half term, we will be focusing on .
Changes Within Living Memory

We will be making comparisons between old and new toys and creating a chronology of automobiles, trains and space travel .

Art and DT

Art focus – Self Portraits

This half-term, we will be looking and exploring Self-Portraits and the artist Pablo Picasso.

We will use different medium to create our portraits including digital pictures and collage.

Physical Education

This half-term we will be improving our swimming skills through weekly specialist coaching.

We will improve our fitness and wellbeing by undertaking a daily mile as a class.

In our PE lessons we will improve gross motor skills through using the equipment and playing indoor games.

Computing

Key skills

During our ICT sessions, we will learn the key skills of computing logging on and off a computer and using the iPad – Camera and Mashcam

We will discuss keeping data private through our e-safety lessons.

SMSC

My Community

We will be looking at how we can make others in our school community feel valued, cared for, welcomed and included.

PSHE

Relationships

During our Jigsaw lessons, we will be focusing relationships.

We will look at falling out, dealing with bullying and being a good friend.

A trip to...
