

# Spring 1

## Green Class

# Let it Grow

### Curriculum Intent

Child centered learning encompasses opportunities for pupils to learn and develop their confidence and skills through a broad, differentiated, and creative curriculum. Our philosophy incorporates flexibility in order that children can access a variety of experiences throughout their time with us. Our curriculum is devised so that pupils follow a pathway that will have the most effective impact on their individual development.

### Introduction

During this half-term, we will explore how things grow and where our food comes from. We will create fruit and vegetable Art and explore living things in Science. We will continue to build on our Literacy and Mathematical skills in our lessons.

### English

In Green class we will continue with our phonics scheme 'Bug Club' a doing 3x a week phonics sessions. As well as daily guided reading slots and opportunity for choosing their own reading for pleasure book weekly. Throughout the term we will be focusing on Instructional text based on keeping our world clean and Poems on a theme Caribbean poems.

### Maths

In Green Class this term we will be exploring Number and it's place value, Making amounts with Money, Measuring Mass, 2D Shape and their properties, Time, Problem solving and symmetry. These focuses will either be done in lesson time or weekly in 20/20 activities.

### Science Plants

In Science we will be exploring everything about plants. We will be exploring what plants need to grow and the life cycle of a plant. We will be planting our own plants and observing the changes over time.

### MFL

In our French lessons, we will be looking at the days of the week and activities. We will be learning all about Valentines day and how the French celebrate this.

### Geography Let it Grow

In geography we will be exploring where our food comes from. We will be locating different countries on maps and exploring what the climate is like in these countries. We will be visiting farm shops and supermarkets and making meals from a selection of food.

### Art and DT Giuseppe Aricmboldo

Pupils be exploring a variety of different mediums, to create fruit and vegetable sculptures, drawings and collages. We will be naming and growing herbs and cooking different foods.

### Music

Pupils will participate in weekly music sessions that are facilitated by our music therapist and also weekly Music lessons following the Charanga theme of work.

### Physical Education

In PE we will be focusing on Gymnastics. We will be working on our balancing and coordination skills. We will also be working on our safety skills and how to put the PE equipment away safely.

### Computing

This term Green class will be exploring Multimedia. We will be creating books, animations and power points using sound images and text.

### SMSC RE

Pupils will explore the meaning of a wide range of stories about the beginnings of the works and will reflect on the importance for believers.

### PSHE

Pupils will look at what it means to be healthy and how they can make healthy choices and keep themselves clean.

Visit to cafes and shops.  
planting and growing our own herbs.
