

Curriculum Intent

Child centered learning encompasses opportunities for pupils to learn and develop their confidence and skills through a broad, differentiated, and creative curriculum. Our philosophy incorporates flexibility in **order** that children can access a variety of experiences throughout their time with us. Our curriculum is devised so that pupils follow a pathway that will have the most effective impact on their individual development.

Introduction:

This half term looks like a busy one!

We will be looking at stories with familiar settings in English, we will continue to focus on all areas of math in lessons and during our daily 20 20 sessions. We are going to develop our observations skills in science, with the focus being helping the Greatly Green Growers and researching facts for famous people from the past in history and producing some wonderful pieces of artwork like the artists we are learning about.

English:

In our English this half term we will be exploring: A fun block drawing on dance crazes, cures from Horrible Histories, happy minds and active bodies. Explore paragraphs and headings, possessive apostrophes and commas. Write instructions and letters of explanation.

We will also be looking at poems on a theme: Starting with Grace Nichols' Paint me a Poem, find poetic inspiration in art. Use prepositions and adverbs to write descriptively and practise punctuating dialogue.

Maths:

In maths we will focus our learning on number facts and counting numbers and the number system. Our focus during maths lessons and 20 20 will also be doubling halving, addition and subtraction. This can be done practically- doubling and halving numbers. Of course we will continue to work on addition and subtraction, time measurement and 2D shape. We will use computing and purple Mash for geometry.

Music:

Timbre Pitch: Working together

Dragon Song. Musical Style: Pop Music from around the world, celebrating our differences and being kind to one another.

Birdsong: Chinese Folk Music. Vaishnava Java: A Hindu Song
A Turkish Traditional Tune Aitutaki Drum Dance.

Science: Greatly Green Growers

The members of the Greatly Green Horticultural Society have been challenged to a growing competition by their rival town Croppingwell! The challenge is on to produce the heaviest marrow, the longest runner beans, the juiciest fruits and the biggest flowers! They need our help. Can we become their plant growing experts and find out through research and investigation, what plants need to grow as strong and healthy as possible?

History.

Lives of Significant

We will be looking at and learning about the significant lives of others. These will include: **Neil Armstrong**-The first man to walk on the moon. **Van Gogh**-The artist who created approximately 2100 artworks. **L.S. Lowry**-An English artist, his drawings and paintings mainly depict Pendlebury, Greater Manchester.

We will be researching and discovering their contributions and discoveries to us.

Art

Artists - NEW LOOK: Van Gogh and L.S. Lowry

Learn about the life, times and paintings of Van Gogh and L.S. Lowry and be inspired to create your own drawings and paintings in their styles. Generate questions to ask the artists; research their lives and replicate their works and styles.

Physical Education

This term we will be improving our swimming and football skills through weekly specialist coaching
