

# Summer 1

## Green Class

# The Great Outdoors

### Curriculum Intent

Child centered learning encompasses opportunities for pupils to learn and develop their confidence and skills through a broad, differentiated, and creative curriculum. Our philosophy incorporates flexibility in order that children can access a variety of experiences throughout their time with us. Our curriculum is devised so that pupils follow a pathway that will have the most effective impact on their individual development.

### Introduction

During this half-term, we will explore the great outdoors. We will be looking at our local area of Wombourne. Using Google Maps to look at aerial pictures and street-level images of the area

### English

In Green class we will continue with our phonics scheme 'Bug Club' a doing 3x a week phonics sessions. As well as daily guided reading slots and opportunity for choosing their own reading for pleasure book. Throughout the term we will be focusing on Classic fiction, verbs and past and present tense.

### Maths

In Green Class this term we will be exploring Numbers using multiplication and division. We will also be exploring time and money in our Maths sessions and daily 20/20 activities.

### Science

In Science we will be exploring different habitats and looking at why animals pick certain habitats to live in and what food can be found in these habitats.

### MFL

In our French lessons, we will be looking at Local areas and shops.

### Geography

In geography we will be looking at the UK, locating the four countries that make up the UK. We will also be exploring our local area and creating maps.

### Art and DT

In DT we will be making mini models and large scale models, from items found in the Great Outdoors.

### Music

Pupils will participate in weekly music sessions that are facilitated by our music therapist and also weekly Music lessons following the Charanga theme of work.

### Physical Education

In PE we will be focusing on Rounders. We will be working on throwing and catching skills. We will also be working on our safety skills and how to put the PE equipment away safely.

### Computing

This term Green class will be focusing on e-safety and online community. Pupils explore the concept that people can connect with one another through the Internet.

### SMSC

#### RE

In RE we will be focusing on Explore rules for living found in sacred writings and teachings and ask questions about their impact on the lives of believers

#### PSHE

In PSHE we will be exploring Changing me and exploring how we grow and change and that we are all unique and special.

## Exploring the local area
