

Journeys (Transport).

Curriculum Intent

Our Sensory Curriculum is an inclusive Curriculum. The children are taught using a thematic approach, with a new theme each half term. This also incorporates their weekly sessions of physiotherapy, speech therapy and occupational therapy following individual programs.

'At the heart of education is the capacity to transform a child's life for the better and equip them to enjoy active citizenship in 21st century society.' (Carpenter 2011)

Introduction

This term we will be exploring all things transport. As a class, we will go a drive on our mini-bus around the community. We will spot various transport as we make our way to Halfpenny Green airport. We will have varied opportunities to explore hands on sensory activities such as cooking, stories, science, music and art.

Communication

Children will need to develop communication across all subjects. We will continue to develop communication, with the support of speech and language experts, to ensure growth of self esteem and confidence, and increased accessibility, understanding and enjoyment of the activities is being delivered.

"The prerequisite of "total communication" simply means that and form of communication is acceptable as a platform upon which to build communication" longhorn 2021

Knowledge of the World

We will be exploring a range of battery operated and electrical resources, including making and testing circuits.

We will also be exploring Forest School and building friendships with team building activities.

Creative and ICT

We will be exploring a wide range of cause and affect technology resources. Children will be encouraged to push, pull and turn buttons, observing the outcomes. We will be allowing children to explore with colour to create their own pieces of art.

Physical Development

Children complete a daily mile to improve their general fitness and well being.

All children have weekly swimming sessions from a specialist swimming instructor.

We deliver sensory circuits frequently throughout the day, as well as fine motor activities in provision and as a myself activity.

PSED

We will use a wide range of fun, practical activities to develop children's personal, social and emotional development.

We will be focusing on the topic "Being Me In The World" and working on activities such as making everyone feel welcome, caring about other people and developing an understanding of rules and boundaries.

English

To link with our topic this term we will be looking at a range of stories; That's not my Car, That's not my Aeroplane, That's not my Tractor, and The Train Ride.

We will be reading the stories and developing our reading skills. We will focus on the development of gross motor skills, fine motor skills and core muscles developing mark making skills to form letters.

Maths

This term we will consolidate our Foundation Maths skills through number rhymes and songs. We will develop an awareness of shape and pattern using everyday situation.

We will be applying both our number and shape skills in everyday scenarios.

All children will be working using a TEACCH approach to embed previous skills.

My Independence

We will develop our independence skills including being able to find our own belongings at snack time and home time.

We will be looking at parts of our body through songs as we are developing our independence with dressing and undressing .

We will be practicing transitioning around school in order develop confidence and independence.

My Community

We will visit our local area by public transport to develop an awareness of different modes of transport.

Trip around the community on our minibus!
