Endeavour Multi Academy Trust's Aims are:

- To provide the best possible standards of teaching and learning
- To work with parents and pupils to help our children learn at a level which meets their individual needs and capabilities, in a safe and caring environment
- To foster pride in individual and group achievement
- To foster self-respect, and to care for others

The Trust's ultimate aim is to prepare our children for a fulfilling happy life when they leave our schools as young adults.

Introduction

Endeavour Multi Academy Trust ("the Trust") is committed to promoting understanding of the principles and practices of equality and justice. We aim to equip pupils with an awareness of our diverse society and to appreciate the value of difference. We value each individual and promote opportunities for pupils to achieve the highest standards, having regard for individual circumstances and abilities. The Trust's schools' curriculum is broad and balanced, enabling pupils to strive for and meet the highest expectations that we have for them. Every person is regarded as of equal worth and importance, irrespective of his/her creed, culture, class, race, gender, sexuality and/or ability/disability.

We welcome our duties under the Equality Act 2010. The general duties are to:

- Eliminate discrimination, harassment and victimisation
- Advance equality of opportunity
- Foster good relations between groups

We understand the principles of the act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity.

The Law and Discrimination

Equality Act 2010 This Equality Policy is reviewed annually and latest changes to the document take into account the provisions and requirements of the Equality Act 2010.

The Equality Act 2010 has set out a new single public sector equality duty which has replaced previous equality provisions made under the Race Relations Act 1976, the Disability Discrimination Act 1995, and the Sex Discrimination Act 1975.

Pursuant to the Equality Act 2010 the schools are required to meet equality objectives in relation to:

- Disability
- Age
- Gender reassignment
- Pregnancy and Maternity (Paternity)
- Race including colour, nationality, ethnic or national origin
- Religion and Belief
- Sex
- Sexual Orientation
- Marriage and Civil Partnerships

The above objectives relate to all persons involved in Endeavour Multi Academy Trust applying equally to pupils, teaching and other staff including central Trust staff

The Trust is committed to providing equality to all pupils and staff by adhering to the following principles of equality:

1. **All learners are of equal value.** Principle 1 applies to all learners and potential learners, their parents, carers and guardians regardless of disability; race, ethnicity, culture or origin, religion or belief, gender/sex, sexual orientation or identity.
2. **Recognise and respect difference.** Whilst the member schools will not discriminate, they will continue to recognise that each pupil is an individual and that treating people equally does not require all people to be treated the same. The member schools will take account of differences in pupils and strive to provide teaching and support appropriate for individuals and their skill bases.
3. **Foster positive attitudes and relationships and a shared sense of cohesion and belonging.**
The Trust will continue to promote:
 - Positive attitudes towards those with disabilities and an absence of harassment or bullying.
 - Positive interaction and dialogue between groups of differing ethnicity, culture, religious affiliation and national origin and an absence of prejudice-related bullying or incidents; and
 - Foster mutual respect between all people no matter what their gender orientation and an absence of sexual or homophobic harassment.
4. **Observe good equality in practice.** The Trust will ensure that policies and procedures benefit all staff and potential staff, in recruitment, professional development and promotion regardless of disability, ethnicity, culture, religious affiliation, national origin, gender or sexual preference and regardless of all rights relating to pregnancy, maternity and paternity.
5. **Reduce and remove existing inequalities and barriers to equality.** The Trust is committed to identifying and addressing any instances of inequality as they arise and to promote positive attitudes towards equality.
6. **Benefit to society.** This Equality Policy is intended to benefit society as a whole by fostering positive equal opportunities amongst staff and pupils and in so doing to prepare pupils for participation in society and the inclusion of all individuals regardless of disability, ethnicity, culture, religious affiliation, national origin, gender or sexual preference.
7. **Monitoring and evidence gathering.** As part of the Trust's obligations under the Equality Act 2010 and as part of the member school Improvement Plan for each of the schools, equal opportunities are monitored and data is collected. The purpose of the monitoring is to ensure that the member schools meet their obligations and that any issues of inequality are identified and addressed appropriately.
8. **Key equality objectives.** The member schools have identified specific and measurable key equality objectives which are detailed in **Appendix 1**. Objectives may be updated from time to time and will be recorded in revised appendices.

In relation to staffing, member schools will also ensure that:

- Staff are aware of the Trust's overarching Equality Policy and the specific key objectives set out at **Appendix 1**.
- Staff are trained and updated regularly of equal opportunities issues and requirements both applicable to staff and pupils.
- Recruitment and selection procedures for new staff are fair and equal.
- Induction training and information for new staff include issues relating to equality.
- All members of staff have access to CPD which will enable professional development.
- The skills of all staff are recognised regardless of their role within the schools and that staff are valued and encouraged to share their knowledge and experiences.

Aims

- To ensure that pupils and staff recognise that discrimination on the basis of race, colour, culture, origin, religion or belief, sex/gender, sexual orientation and marriage or civil partnership, gender reassignment, disability or ability is not acceptable.
- To provide an environment in which all pupils and staff feel safe enough to express and question views.
- To ensure that all staff feel valued and supported and have appropriate advice and encouragement for professional development.
- Ensure the principles and practice of equal opportunities applies to all members of the school community: pupils, teaching and non-teaching staff, parents, governors and visitors.
- Equal Opportunities practices should be evident in:
 - a) the formal curriculum (the programme of lessons)
 - b) the informal curriculum (extra-curricular activities)
 - c) the 'hidden' curriculum (the ethos of the school, the quality of personal relationships etc.)
- To educate, develop and prepare all our pupils for life whatever their race, colour, culture, origin, religion, belief, sex/gender, sexual orientation, disability or ability.
- Pupils and teachers contribute towards a happy and caring environment by showing respect for, and appreciation of, one another as individuals.
- Pupils are seen as individuals and each child's education and care is to be developed in direct relation to their needs and abilities. This eclectic approach is to be based upon sound knowledge and awareness of an appropriate range of teaching and learning styles, teaching interventions, behavioural methods, medical and diagnostic issues.

Policy into Practice

Admission

Endeavour Multi Academy Trust's schools follow the LA Admission Policies that do not permit sex, race or colour to be used as criteria for admission. The member schools admit pupils with an Education, Health and Care Plan (or pupils in the process of acquiring an EHCP) referred by the District Office, subject to the schools' abilities to meet identified needs.

- a) **Registration.** Pupils and staff names will be accurately recorded and correctly pronounced. Pupils will be encouraged to accept and respect names from other cultures.
- b) **Discrimination.** All forms of discrimination by any person within the Trust's school's responsibility will be treated seriously as such behaviour is unacceptable. Racist symbols, badges and insignia on clothing and equipment are forbidden in the Trust's schools. Staff should be aware of possible cultural assumptions and bias within their own attitudes. In all

staff appointments the best candidate will be appointed based on strict professional criteria. Parents should be aware of the Trust's commitment to equal opportunities. All cases of discrimination or prejudice should be taken seriously and dealt with, as appropriate, according to existing sanction procedures. A record of incidents should be kept.

- c) **Language.** The Trust view linguistic diversity positively. Pupils and staff must feel that their national language is valued.
- d) **Culture, Class, Religion and Race.** The Trust acknowledges that the population of the schools come from diverse cultural, racial, religious and socio-economic backgrounds and we endeavour to foster an atmosphere of mutual respect in order to help to promote a member school and a society in which there is social, religious and racial harmony. The Trust's schools recognise the inequalities of opportunity which exist within society for individuals and groups and are determined to take positive action to enable every individual to raise his/her self-esteem, expectations and performance so as to have wider choices in life. We understand the need to be different without being excluded. We are happy for pupils to wear special forms of dress where these are an essential part of their religious or cultural background – Sikhs' turbans, Muslim girls' headscarves etc. We value the history, experience and contribution of our multicultural community and seek to express this in the curriculum and life of our school. We try to counter negative, patronising and stereotyped views: a prime cause of prejudice is ignorance and misunderstanding. We will not tolerate racist behaviour in any form.
- e) **Gender.** Trust schools accept that there are gender inequalities in our society which impose limits, particularly on girls' expectations and behaviour, so we constantly examine our curriculum, procedures and materials for gender bias and inequality. We encourage pupils to be aware of the rigid gender stereotypes presented by, for example, the media.
- f) Endeavour Multi Academy Trust is committed to providing a curriculum which avoids unnecessary historical gender divisions. All pupils experience subjects previously considered to be suitable for a single gender. We try to ensure:
- that teachers allocate their time fairly between the genders.
 - that all pupils have opportunities for working with pupils of both genders.
 - that we break down traditional gender stereotypes.
 - that pupils are encouraged to pursue less conventional subjects and interests.
 - We do not differentiate between the genders in respect of our school uniform.
- g) **Religion.** We acknowledge that members of the Trust's schools come from diverse backgrounds; some have no religious faith while others are committed to a greater or lesser extent to a variety of religions. We seek to promote an ethos of tolerance based on understanding of and respect for the beliefs and practices of others. With regards to the teaching of RE we consider that the role of the teacher is that of educator and not that of evangelist. We do not seek to make pupils religious, but to teach them about religion.
- h) **Resources.** The Trust's schools aim is to provide for all pupils according to their needs, irrespective of gender, ability, religion or ethnic origin. Resources are to reflect cultural and racial backgrounds of children to support positive self-imagery. We try to ensure that our resources include non-sexist books which value the achievements of both women and men. Displays will similarly reflect a range of cultures and races. All materials in use in the schools are monitored.

- i) **Relationships.** Relationships between staff, pupils and management should be such that any member of the school acting in a manner contrary to the spirit of this policy is made aware of the unacceptable nature of his/her behaviour. This should be done in a supportive manner to encourage change and reinforce the principles of this policy. When it is uncomfortable or inappropriate to address the issue between the individuals concerned then management must be made aware of the incident and address the incident with the staff or pupil involved through supervision. In extreme circumstances formal procedures may be taken by the Headteacher in line with the Trust's schools Anti-Bullying Policy.

- j) **Appointments.** The Headteacher ensures that in recruitment procedures any advertisements, shortlisting and interview procedures are without any hint of direct or indirect discrimination. During employment it would be unlawful to discriminate in the way opportunities for promotion, transfer or training were offered. It is also unlawful to discriminate in dismissals, particularly in redundancy dismissals.

Awareness of policy

Parents and pupils know that the Trust has an Equality Policy and are committed to equality of opportunity for all pupils.

The Trust has set the Equality Policy and it and the schools' Headteachers actively promote and implement it. Only if there is transparency in the dealing with staff issues will people feel comfortable with the outcomes.

Monitoring and Review

The Trust's schools monitor the impact of their policies and procedures on different groups (by race, gender and disability) and the effectiveness of such policies are assessed through school self-evaluation procedures.

Appendix 1

Key Equality Objectives 2024-25 for all our schools:

Objective 1

Have in place a reasonable adjustment agreement for all staff with disabilities by the end of the academic year, to meet their needs better and ensure that any disadvantages they experience are addressed.

Objective 2

By the end of the academic year, train all members of staff (including trustees and governors) so that they understand biases, equality and equity and the impact this has on equal opportunities and non-discrimination.
