

Curriculum Intent

Our Sensory Curriculum is an inclusive Curriculum. The children are taught using a thematic approach, with a new theme each half term. This also incorporates their weekly sessions of physiotherapy, speech therapy and occupational therapy following individual programs.

'At the heart of education is the capacity to transform a child's life for the better and equip them to enjoy active citizenship in 21st century society.'
(Carpenter 2011)

Introduction

This term our topic is Land Before Time. We will be exploring Dinosaurs and looking at a variety of dinosaur books. In small groups we will explore hands on and sensory activities such as sensory cooking, stories, science, music and sensory art.

Communication

Children need to develop communication across all subjects. We will continue to develop communication, with the support of speech and language experts, to ensure a growth of self-esteem and confidence; and increased accessibility, understanding and enjoyment of the activities is being delivered.
'The prerequisite of 'total communication' simply means that any form of communication is acceptable as a platform upon which to build communication' Longhorn 2001.

Knowledge of the World

Children will be encouraged to explore their community and environment and take part in sensory activities to enhance their learning experience.

Creative and ICT

We will be using different material and tools to create different dinosaurs, exploring a variety of materials, mark making and textures.

Physical Development

When the children come into school, we complete the daily mile to promote fitness and well being.
We have a weekly swimming session with our qualified swimming instructor and work towards our individual targets.
We have a PE lesson once a week where we work on our Gross Motor skills and confidence.
Throughout the day we deliver sensory circuits adapted to your child's individual needs.

PSED

We use a range of fun, practical activities to develop children's personal, Social and Emotional Development. It will allow the developmental progression in awareness of self, others, environment, change, anticipation, preferences and cause and effect.
We will be focusing on learning the basic rules and skills for keeping ourselves healthy and safe and recognizing our worth as individuals, identifying positive things about ourselves, recognizing our mistakes, making amends and setting new goals

English

We will be looking at a range of dinosaur books including That's Not My Dinosaur .We will be reading the story, developing reading skills, exploring the book through play, retelling the story and developing our communication skills.
We will use a range of strategies and resources to support the development of reading and phonics as a whole group, including Attention Autism, musical instruments and puppets. We focus on phase 1 letters and sounds with an initial focus on environmental sounds and rhyme.
We focus on the development of their gross motor skills, fine motor skills and core muscles developing mark making skills to form letters of their name.

Maths

This term we will continue to consolidate our foundation math's skills through number rhymes and songs. We will continue to look at shape and pattern using physical everyday objects.
Our focus number rhyme this term is 10 Little Dinosaurs.
We will be applying both our number and shape skills in everyday situations and working on our individual targets using a range of sensory and practical activities.

My Independence

We will develop our independence skills including being able to prepare ourselves a simple cold drink and savory snack.
We will be looking at parts of our body through songs as we are developing our independence with dressing and undressing .
We will be practicing transitioning around school in order develop confidence and independence.
